

# CCTV SOLUTIONS

## CCTV

We only install IP based CCTV solutions. Our main manufacturer of choice for CCTV is Unifi, but we do also work with Foscam, HikVision, QNAP and Synology.

Hill, Bury St Edmunds,  
Suffolk, IP28 6LG**

### IP CCTV

IP CCTV cameras improve on traditional analogue CCTV by connecting to your network, which means you can view them anywhere across the world via an Internet connection on your smartphone, tablet or PC.

### PEACE OF MIND

Get the peace of mind you deserve, so you can stop worrying and focus on the more important things - like taking care of your business.

### FREE SITE SURVEY

Contact us for a FREE CCTV Site Survey. Whether changes to existing system, or upgrades, we can help with this.
