

SECURE CLOUD BACKUP

CLOUD BACKUP

Our cloud backup solution is vital for the protection of your data. Data can be deleted, corrupted or encrypted by malicious attempts such as ransomware. **Backups are so important for your business**

SERVICES, PC'S
AND LAPTOPS

**MICROSOFT
365 BACKUP**

HOW GOOD IS YOUR BACKUP?

PROTECTION FROM

Data is protected against - Human Error, Ransomware, Natural Disasters, Physical Disasters, Theft and Hardware Failure.

MONTHLY CONTRACT

No long term contract. We charge 3p per GB of compressed data per month plus VAT. 200GB of data compressed to 150GB will cost £4.50 plus VAT

YOUR DATA IS SECURE

The backup is secured using AES-256 encryption, from then onwards your data is encrypted at all points of the backup journey - from transit to the vault and finally at 'rest' in our data centre. The only stage that your information is decrypted is when you need a restore.
